

REMARKS

Claims 1-15 are pending in the present application and have been restricted. Applicant provisionally elects "Species IV: Figures 16-19" which corresponds to the fifth embodiment described starting at page 118 of the specification.

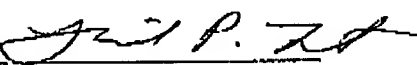

The Examiner has not indicated which claims (1-15) he believes are related to figures 16-19. Applicant believes that all of the claims, 1-15, could at least be argued to be related to figures 16-19 so applicant respectfully traverses the restriction requirement and asks that it be reconsidered. See also page 119, lines 5-8 of the specification.

Prosecution on the merits is respectfully requested. The foregoing is believed to be fully responsive to this office action.

If there are any charges with respect to this amendment, or otherwise, please charge them to Deposit Account No. 06-1130 maintained by Applicant's attorneys.

Respectfully submitted,
